

Kaminer Fights Cancer

First Annual Golf Benefit to Fight Cancer

April 26th, 2010

Help Kaminer Man in his fight against Cancer. Kaminer Heating and Air and Kaminer Man have dedicated their time and efforts to help fight cancer. This is a terrible disease that has affected many people in many different ways. It has also touched the Kaminer Family. I, Todd Kaminer was diagnosed with Testicular Cancer on April 22, 2009. This has inspired our family to volunteer their time and efforts to this disease. There are many people out there that do not have adequate insurance or any insurance at all to help financially those whom are in need of treatment. Kaminer Inc. would like to raise money to help these people. We are all volunteering our time and efforts and any cost that we put into this is a direct cost from Kaminer Heating and Air. Please reach into your pockets and give a small donation to help us in our fight and be a part of our event to raise money and awareness. Every dollar, every donation will get us a step closer in helping a needy family. All donations will go directly to the "SCOA CARES Foundation".

Benji Norton, Tommy Moody and Bob Sheilds will be broadcasting "THE GAME" morning show on location from Crickentree.

Please join our event today! Sign a team up to play with a Platinum, Gold or Silver (Corporate hole Sponsorships are available) Sponsorship. We have a level of participation to fit everyone. See back for details. We would love to have you there! Singles may sign up as well. We'll get you a team. We have MANY fun things to do so come EARLY for Club Demos, putting contests, silent auctions and breakfast.

Donate an item to be raffled the day of the tournament. It can, but does not have to be related to golf or sports. Goody bags can be enjoyable for everyone!

Make a financial donation. SCOA CARES Foundation is a 501 © (3) Charitable Organization and your donations are tax deductible. For any questions you may have, contact Candy Coey 803-461-3117 or go online SCOACares.org

Needless to say, our entire family was devastated. Eric's financial situation was not in the best of shape but became overwhelming once he was unable to work due to his cancer. We don't know what Eric, his wife, and children would have done without the financial help that the SCOA Cares Foundation provided. He was so worried and it was such a blessing when SCOA Cares stepped in and relieved his financial worries. We lost Eric March 1st 2009 but SCOA Cares continued their support. Our Heartfelt thanks to anyone that has ever given to this wonderful fund. God Bless, John and Cynthia Dickerson</p>
